Detailed Itinerary

Your luxury safari begins and ends in Maun, Botswana

Day 1 | Fly from Maun Int'l Airport to Duba Plains Camp in Okavango Delta

Board your Cessna flight and enjoy the aerial views of the vast Okavango Delta as you make the trip to Duba Plains Camp. Settle in, then enjoy an evening game drive, sundowners, and dinner.

Day 2-3 Explore Okavango Delta Private Reserve

The renowned Duba Plains Camp sits in the heart of classic Okavango Delta habitat. A matrix of palm dotted islands, flood plains and woodland, the 77,000 hectare private concession typifies the region's unique landscape. Many consider Duba Plains to be the Okavango's version of the Maasai Mara because of the sheer volume of

wildlife. Duba Plains prides itself on its extraordinary wildlife experiences with reliable sightings of lion, buffalo, red lechwe, blue wildebeest, greater kudu and tsessebe. Elephant and hippo trudge through the swamps and leopard, and some nocturnal species, can be sighted as well. Birds abound, and the area is a birdwatcher's paradise. Okavango 'specials' include the rare wattled crane, Pel's Fishing owl, white-backed night heron and marsh owl.

Duba Plains offers Botswana's best land safari as well as an Okavango Delta experience, from wildlife viewing and birding or fishing from the boat, to walking and exciting drives with knowledgeable guides and friendly hosts. Great Plains Conservation is the only operator on the concession, offering guests the ultimate opportunity for private wildlife sightings.

Day 4 | Fly from Duba Plains to Zarafa Camp in Selinda Private Reserve

Your bespoke safari continues. Today, after breakfast, you'll board a Cessna flight that will transport you to the airstrip at Zarafa Camp in the private 320,000 acre Selinda Reserve where you'll settle in and begin to explore this special place upstream from the Savute Channel and Chobe National Park. The reserve's unique position gives it the advantages of both of these famous areas but with the tremendous advantage of exclusivity.

Day 5 - 6 | Explore the Selinda Reserve

Continue your exploration of the Selinda Reserve and encounter the wide variety of wildlife in this pristine wilderness. It is a truly spectacular and varied landscape that boasts staggering wildlife populations in diverse habitats year-round. Home to some of the classic species, such as leopard, lion, elephant, buffalo, red

lechwe, zebra and giraffe, it is also a refuge for some of the more uncommon species such as African wild dog, cheetah, roan and sable antelopes. And for birders, it will not disappoint. The African skimmer colony is a highlight, as are the antics of the black egret on the shores of Zibadianja Lagoon. From camp, hippos are visible in the lagoon and elephants wander through regularly.

Day 7 | Fly from Zarafa Camp to Maun

It is time to say goodbye until next time. On your Cessna flight back to Maun, you'll fly over the beautiful Botswana landscape and wildlife you've had the chance to get to know personally over the past days.

Accommodations

Duba Plains Camp:

Duba Plains Camp is a wildlife connoisseur's gateway to the Okavango Delta. Built on a wooded island, connected to the prolific wildlife area by an elaborate set of bridges, the camp is the base of many famous wildlife documentaries by National Geographic filmmakers Dereck and Beverly Joubert. The intimate camp features five traditional-style tents. All sit on raised decking, each with views of the surrounding floodplain and the steady stream of wildlife parading past. Each tent has a lounge area, a private veranda, beautifully appointed en-suite facilities consisting of flush loo, double basins and indoor and outdoor showers and luxurious baths. Enjoy your own private plunge pool and outdoor covered sala/day rest area. The main area consists of a large raised dining room, and a comfortable lounge with private dining areas, wine cellar, library, and chef's kitchen with ample space for guests to either find privacy or come together. The camp's centre-point is the gathering place of all bush experiences, the fireplace on an extended deck into the swamp.

Zarafa Camp:

Zarafa Camp is an intimate, four room exquisite tented camp. Few camps rival the location of this little gem, Botswana's first and only Relais & Chateaux property. Overlooking the crystal waters Zibadianja Lagoon, the source of the famous Savute Channel, every area of camp has a magnificent view. The lagoon is also the water source for a tremendous population of wildlife – dry season sightings boast buffalo and elephant by the hundreds.

Zarafa Camp is possibly the "greenest" luxury camp on the African continent. Only recycled hardwoods and canvas were used in the construction and all the camp's electricity comes from its solar farm while a 'bio-gas' system recycles vegetable waste into usable cooking gas. The Zarafa Camp guest tents, 1000 sq. ft in size, are under beige, flowing canvas, with canopy ceilings and completely open (yet netted) sides. Entering through the heavy wood Lamu door transports you to a lavish space

of deep reds, browns, brass and copper, evoking richness and beauty. Each tent has a full lounge and a gas fireplace. The large bedroom is connected to an open layout bathroom with an impressive copper claw foot bath, indoor shower, separate loo and double basins. Decking around the tent leads to the private plunge pool and outdoor shower, all with views of pristine Botswana wilderness. Under an impressive canopy of African ebony trees, the camp has a sizable main lounge, with adjacent library and dining area. Zarafa has succeeded in successfully retaining a clearly African feel, while balancing that delicate relationship between personal and informal and romance and adventure. With a maximum of just eight guests, Zarafa Camp offers complete flexibility. While drives do focus on the most comfortable and productive times of day, early morning and late afternoon, full day drives, walks and boating (water level dependent) are great ways to fill the day at Zarafa.
