NOTE A- ORGANIZATION AND NATURE OF ACTIVITIES

Nick's Sports LLC ("the Company") is a corporation formed under the laws of the State of Oregon. The Company derives revenue from the design, development, manufacture and retail of Women's Athletic Fashion apparel.

The Company will conduct an equity crowdfund offering during the first quarter of 2020 for the purpose of raising operating capital. The Company's ability to continue as a going concern or to achieve management's objectives may be dependent on the outcome of the offering or management's other efforts to raise operating capital.

NOTE B- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include all cash balances, and highly liquid investments with maturities of three months or less when purchased.

Accounts Receivables

Accounts receivables consists of amounts billed to customer for completed work for which payment has not yet been received. Management's experience suggests that losses on account are likely to be infrequent. Therefore, no amount has been recognized in the statements as a reserve for losses on accounts receivables.

Inventory

The Company's inventory includes raw materials, supplies, and completed items that are held for sale. Management's experience suggests that losses due to lack of consumer demand for inventory items are likely to be infrequent. Therefore, no amount has been recognized in the statements as a reserve for losses on inventory.

NICK'S SPORTS LLC
